

Suction Clamp Set 6pc

These adjustable suction clamps are ideal for holding trim, badges, facia trim or door linings in place whilst adhesive is drying. Supplied as a set of 6 so that they can be spaced along larger pieces of trim such as door or window mouldings.

Additional Information

- Set of 6 adjustable suction clamp, for securing panel trim & badges whilst gluing into place.
- Will not mark panels after use.
- Suitable for refurbishment or maintenance on all classic and cherished cars.
- Instructions included on packaging.
