

Gunson Drip Mats Pack 3

These oil absorbing pads have also been designed to absorb brake fluid and petroleum-based fluids but repel water based fluids to ensure efficiency in your clean-up operation and keep the workshop floor tidy. These large pads are 100% polypropylene construction, strong, durable and offer terrific absorption — 2.6 litre per pad. Each pad is 1000mm x 800mm, and has a plastic film backing to keep hands clean when handling. Supplied in a resealable pack of three.
