

Clikadjust Tappet Adjuster

Valve clearance is easy to adjust on all push rod engines or OHC engines with top adjustment. Clik-adjust makes the job easier and absolutely precise. This essential clearance adjustment ensures the valves (inlet and outlet) open and close correctly resulting in better engine performance.

Additional Information

- Adjusts tappets precisely
- Micro adjustment
- No need to use feeler gauge after its set up.
- Suits all push rod valve engines and OHC engines with Flat head top adjustments screws. 1/2"D for any size lock nut.
- Essential for worn tappets
