## Gunson®

## **Clikadjust Tappet Adjuster**

Valve clearance is easy to adjust on all push rod engines or OHC engines with top adjustment. Clik-adjust makes the job easier and absolutely precise. This essential clearance adjustment ensures the valves (inlet and exhaust) open and close correctly resulting in better engine performance.

## Additional Information

- · Adjusts tappets precisely.
- · Micro adjustment.
- No need to use feeler gauge after it's set up.
- Suits all push rod valve engines and OHC engines with flat head top adjustments screws. 1/2"D for any size lock nut.
- · Essential for worn tappets.
